

IMPACT

Grace Fellowship Church provides multiple opportunities for families affected by disabilities to feel the love Jesus throughout the year. One of these is our respite afternoons for families affected by disability called Rest Day. It takes many volunteers to make the afternoon fun-filled for the kids. Parents can enjoy a free afternoon to rest and then we send families home with a meal at the end of the day. Another opportunity is our community days (Fall REST Fest and more where we provide a free, fun gathering for families. These opportunities happen a handful of times a year.
